Our range of activities promote the following:

- Team-building eg Killary Challenge & Turf Challenge
- Communication eg High Ropes Course & Raft Building
- Personal Development eg Zipwire & Kayaking

## BRONZE & SILVER GAISCE AWARDS

Killary Adventure is a recognised Gaisce teaching establishment which can facilitate the Adventure Journey walking section of the award for your group.

- Bronze Award: 25-30km walking
- Silver Award: 50-79km walking

The following is required of the group before attempting this part of the award:

- A basic level of fitness
- A willingness to get into the spirit of the adventure
- A desire to complete the challenge that is laid out before them
- A willingness to commit to preparing for the trip

Mona, our Gaisce Co-ordinator, will be happy to advise you in advance on preparation and requirements. Contact her on 095 43411 or email [mona@killary.com](mailto:mona@killary.com).

## EVENING PROGRAMME

Killary will keep your students entertained from 7.30pm- 10.30pm each evening with our structured yet fun evening programme. This is included in every package and is a great way to finish the day at Killary.

Games, quizzes, forest walks, our very own 'Miss Killary' and lots of other fun indoor and outdoor challenges are included. The idea of bonding is continued and students are encouraged to get involved and work together.

We now have a dedicated geodesic dome on-site which is used as a multi-purpose, extra space for our evening programme.

## CLOTHING & EQUIPMENT

All equipment is provided. In order to participate in an activity programme at Killary there is no need to buy expensive, specialist clothing. We normally advise groups to simply bring old clothes, old runners, raingear and lots of changes of clothes.

A couple of items are needed for the Gaisce programme but these can normally be borrowed from friends or family to keep the cost down for the students.
